THE WHOLE LIFE DIFFERENCE

Whole Life insurance offers a combination of guaranteed death benefit protection, guaranteed cash value accumulation, and guaranteed level premiums over a lifetime. Plus, generally available tax advantages that provide an effective and powerful financial resource, such as:

- Income tax-free death benefit to a beneficiary.
- Tax-deferred cash value growth.
- Tax-favored policy loans and withdrawals from cash value.¹

Lafayette Life’s Heritage 15 Whole Life Policy is designed for people who are looking for low guaranteed premiums with a high permanent death benefit and guaranteed cash value accumulation. You pay level premiums until age 100 or 20 years, whichever is longer, with the death benefit guaranteed for your lifetime.

HERITAGE 15 FEATURES

- Guaranteed, Low Fixed Premiums. The premium you pay today will be the same premium you pay in later years.
- Guaranteed, Lifetime Coverage.² As long as premiums are paid and policy loans do not exceed the total cash value, your coverage cannot be terminated.
- Tax-Deferred Cash-Value Accumulation. Your Heritage 15 policy is designed to gradually build cash value each year on a tax-deferred basis.
- Policy Dividends.³ Your Heritage 15 policy may earn a dividend.
- Living Benefits Provided at No Additional Premium.⁴ Flexibility to access a portion of the death benefit should you be faced with a Specified Medical Condition, Terminal Illness or a Chronic Illness.⁵

TAILORED TO YOUR NEEDS

Your Heritage 15 Whole Life insurance policy can be tailored to meet your specific financial needs. There are several supplemental riders that can be added to your Heritage 15 policy to help address your individual needs. Keep in mind that adding a rider to your policy may require additional premium.

TAX-DEFERRED CASH VALUE ACCUMULATION

Heritage 15 is designed to gradually build cash value on a tax-deferred basis each year. During your lifetime, the cash value can be accessed as a policy loan or withdrawal to help fund a major purchase, supplement your retirement income or simply provide in time of emergency or special need. Accessing your cash value will, however, reduce your death benefit.

² Subject to the terms of the policy, including payment of the required premiums, suicide exclusion, contestable provision and loan provision.
³ Dividends are not guaranteed and may be changed by the company at any time.
